Hello. I learned the current Agent overseeing the investigation, Daniel Heather, is out of office on paternity leave. He will be your point of contact and is due to return some time next month. I would advise sending him an email in the interim, dheether@fbi.gov, so he may reach out once he returns.
Thank you so much, will email. It's dheether@fbi.gov ? Daniel's last name is spelled Heather or Heether? Just want to make sure the email is correct.
