Levante UD and ROR Sports join forces

There are no reactions yet. Be the first!

ROR Sports is Asia's newest digital sports entertainment group. The company follows a "people-centric" parallel platform technology and market development path, constantly expanding the boundaries of the sports market, aiming to provide the most immersive sports entertainment experience for each user.

With the principles of "continuous innovation, sincere service, integrity and fairness", ROR Sports has won a large number of loyal sports enthusiasts around the world. Currently, ROR Sports has more than one million users, with more than 100,000 active users daily. On the path

of continuous development, ROR Sports has progressively demonstrated industry leader momentum.
