UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA

UNITED STATES OF AMERICA, Plaintiff, v. APPROXIMATELY 225,364,961 USDT, Defendant *in rem*.	Civil Action No. 25-cv-01907-AHA

JOINT STATUS REPORT

Plaintiff United States of America, Claimant Infiniweb, Claimants 1-118, and Claimants 119-266 (collectively, the "2025 Parties") respectfully submit this Joint Status Report.

As previously disclosed to the Court, the 2025 Parties have reached agreement in principle on settlement in this action, which is subject to ongoing diligence and currently undergoing consideration pursuant to Department of Justice policy, prior to final execution by all settling parties. *See* ECF No. 85.

The 2025 Parties previously requested that the Court stay motion practice between the 2025 Parties while this agreement in principle was undergoing review. *Id*. On August 7, 2026, the Court stayed the case "pending further order of the court" and instructed the parties to file a joint status report on September 4, 2026, and every 30 days thereafter until the stay is lifted. On September 4, 2026, the 2025 Parties filed a joint status report pursuant to the Court's order.

Status Report:

The agreement in principle remains under consideration by the 2025 Parties and subject to approval pursuant to Department of Justice policy.

Several other motions regarding Claimant Nivedita Kaul (who is not one of the 2025 Parties) remain pending: Claimant Kaul's motion for injunctive and other relief (ECF No. 79), the government's motion to strike Ms. Kaul's claim (ECF No. 91), and Claimant Kaul's motion to defer ruling on the government's motion to strike, to compel service of sealed filings, to strike or disregard specified exhibits, for an extension of time, and for protective relief (ECF No. 94). On September 30, 2026, the Court ordered Claimant Kaul to move for leave to amend her claim by October 14, 2026.

In the avoidance of doubt, the 2025 Parties are not seeking a stay of any of these motions, which would not be resolved by the pending agreement in principle.

Dated: October 5, 2026

Respectfully submitted
