Hi Erin, Thank you for accepting my request. I live in [redacted] and a recent LLM graduate of USC Gould.Unfortunately, I am a victim of a similar pig butchering crypto investment scam of [redacted]. The scammer used a fake trading website. I needed some guidance on how to go about handling the matter in contacting the right authorities. I am still in contact with the scammer and the website is still active.Any guidance would be much appreciated.thanks, [redacted]
